## ONLINE EXERCISES

## SILLY FASHION SHOW

### **Things you will need-**

- A box full of fancy dress items; hats, glasses, scarves, wigs, anything you can get your hands on!

### **What to expect in the workshop-**

The facilitator will ask for you to place the box of items in the middle of the space or in front of your child if they are accessing from home. Everytime the music stops the students will be asked to place on a new item of fancy dress on. By the end of the game everyone should look wonderfully colourful and ridiculous!

### **What else you can do?-**

- Create your own catwalk, get each student and teacher to parade down a catwalk showing off their new outfit. Pose at the end of the catwalk and take a photo! (Please do share them with us, we would love to see what you've been up to!)
  - Try out some silly walks in your new outfit, how does it change your movement?
